

Tri-County Community Council, Inc.
Head Start/Early Head Start

Part: 1302 Program Operations

Subpart: J-Program Management and Quality Improvement

Section: 1302.101 Management System

Subject: Communication with Other Programs

Policy:

The Head Start/Early Head Start program will communicate with other programs within their community to link with them and work together for the betterment of the children in their community.

Procedure:

1. The Head Start/Early Head Start program will have attendees at meetings with other programs when it pertains to issues of concern.
2. The Head Start/Early Head Start program will participate in relevant community meetings.
3. The Head Start/Early Head Start program will collaborate with other programs to enhance the programs within its community.
