---

**Policy**

Families enrolled in the EHS Home Base Program who move outside of Tri-County Early Head Start's service area will be assisted in finding programs in their area to continue receiving services if possible.

**Procedure**

1. Early Head Start families must be currently receiving services through the Home-Based Program to continue services after their move.
2. Early Head Start families who move must remain in the Tri-County Head Start/Early Head Start service area (Walton, Holmes, and Washington Counties) to continue with the Tri-County Head Start Program.
3. Families who move out of the Tri-County Early Head Start service area will be encouraged to continue with the early education of their child(ren) and will be provided information on available Early Head Start Programs in their area or alternative early education programs.
