

Tri-County Community Council, Inc.
Head Start/Early Head Start

Part: 1302 Program Operations
Subpart: H- Services to Enrolled Pregnant Women
Section: 1302.80 Enrolled Pregnant Women
Subject: Enrollment of Children of Pregnant Mothers

Policy:

To ensure a continuation of Early Head Start services by enrolling new infants when born.

Procedure:

1. Pregnant mothers will receive services through the birth of their infant under the mother's name as the primary client.
2. An updated application will be made with infant's information.
3. The child's application will need to contain a birth certificate, immunization record, and physical.
4. Early Head Start Services will continue with the family and now include information and activities for the new child.
