

Tri-County Community Council, Inc.
Head Start/Early Head Start

Part: 1303 Financial and Administrative Requirements

Subpart: F-Transportation

Section: 1303.74 Safety Procedures

Subject: Medications on the Bus

Policy:

Tri-County Head Start/Early Head Start does not allow medications to be transported on the bus with children.

Procedure:

1. Parents will be responsible for bringing medications to the center for their child if the child must be given medication during program hours.
2. The only medications allowed on the bus are rescue medications such as epi-pens or inhalers. These medications will be kept in a fanny pack worn by the bus monitor at all times.
3. All procedures in the Administration of Medication Policy must be followed.
