

**Tri- County Community Council, Inc.**  
**Head Start/Early Head Start**  
**School Readiness Goals**

### **Approaches to Learning**

Children will be able to express themselves while showing positive approaches to learning during creative experiences while engaging, being attentive, showing persistence, having curiosity, and being flexible.

### **Social and Emotional Development**

Children will be able to show an increasing ability to manage their own emotions, needs, and behaviors while learning to form positive relationships with familiar adults and peers.

### **Language and Communication**

Children will demonstrate receptive and expressive language skills and communication strategies in their home language. Children will begin to learn print concepts and demonstrate phonological awareness through a wide variety of engaging experiences.

### **Cognition**

Children will begin developing math concepts and scientific inquiry during daily routines and experiences. Children will be able to show multiple ways to solve problems and use their senses to investigate their environments.

### **Perceptual, Motor, and Physical Development**

Children will be able to show control of large muscles for movement, coordination, and balance. Children will develop control of small muscles for manipulation and exploration.
