Health Screenings Consent Form

**Height and Weight**

Head Start Performance Standards Subpart D 1302.42 B.1.i. states:

Staff and families must work together to identify each child's nutritional needs, taking into account staff and family discussions concerning any relevant nutrition-related assessment data (height, weight, etc.).

We are requesting permission to obtain your child's height and weight at the Head Start center one time during the school year within 30 days of enrollment.

**Vision & Hearing Screening, Blood Pressure, Hemoglobin**

Head Start Performance Standards Subpart D 1302.42 B.1.i. requires that Head Start obtains linguistically and age appropriate screening results to identify concerns regarding a child's developmental and sensory (visual and auditory) skills.

We are requesting permission to perform vision, hearing, blood pressure and Hemoglobin screening for your child at the Head Start or EHS center.

Child's Name: \_\_\_\_\_

- Yes, I give permission for my child to participate in height and weight, vision screening, hearing screening, blood pressure, and hemoglobin.
- No, I do not want my child to participate in: \_\_\_ Height \_\_\_ Weight \_\_\_ Vision \_\_\_ Hearing \_\_\_ Blood Pressure \_\_\_ Hemoglobin

**Parents: You will be given the results of the above screenings.**

## Tri-County Head Start/Early Head Start

### Head Start/Early Head Start Disciplinary Policies

The use of corporal punishment and isolation as disciplinary measures in Head Start/Early Head Start are forbidden. This includes, but is not limited to spanking, slapping, and pulling of hair, etc. Children are not subject to discipline which is severe, humiliating, or frightening. Food, rest time or toileting habits are not to be associated with discipline.

We use positive guidance techniques to redirect unacceptable behavior. Children can gain self-esteem, learn self-respect, and increase self-control when childcare staff give positive guidance techniques. An explanation is given to the child why his/her behavior is unacceptable. To carry out child discipline and to ensure that age appropriate, constructive practices are used, we follow these minimum standards.

Behaviors	Examples of ways to handle behavior
Using swear words	Ignore if seldom heard. If used often, indicate that we do not use those words here. There are other words that tell us how we feel.
Disturbing group time	Improve group time to hold the child's interest. Give a child something to hold or to do. Give the child attention at other times so that is not as needed at group time.
Disturbing others	I will not let you knock down Tom's blocks.
Hitting others	Hitting hurts. I will not let you hit. You may tell the other child that she made you angry. Redirect to pounding clay.
Spitting	Spitting should only be done in the toilet. There are many germs in spit, and I will not let you spit on anyone.
Biting	Biting hurts. We must take care of the place where you bit John. I will wash it and put a bandage on it. You may bite a carrot, but you may not bite other children or teachers. The teacher tries to prevent biting by close supervision of "biters".

Positive guidance approaches will be used appropriately to discipline children. The teaching staff will establish guidelines for children's behavior that encourage self-control and that are simple, reasonable, and consistent. The staff will give children real choices and accept the choices made by the child. The teaching staff will use firm and friendly techniques, such as reminding and persuading, when rules are forgotten or not followed. **If time-out is used**, then the time will last one minute for every year old the child is, and no longer. Time-out can be used as a **last measure** to get the child to conform to the classroom rule. If time out is necessary on the playground, the staff must remain with the child for the duration of the time out and staff must continue interacting and communicating with the child, until the time out is over.

**Permission for Food-Related Activities & Special Occasion Food Consumption**

*Pursuant to 65C-22.005 (1) (c) 2., F.A.C., licensed childcare facilities must obtain written permission from parents/guardians regarding a child's participation in food-related activities. These activities include such things as: classroom cooking projects, gardening, school wide celebrations and birthdays.*

I \_\_\_\_\_ give/ decline permission for my child \_\_\_\_\_, to participate in food related activities and special occasions wherein food is consumed.

Please Provide the following information:

- My child **DOES NOT** have a food allergy or dietary restriction. He/she **MAY** participate in activities.
- My child **DOES NOT** have a food allergy or dietary restriction. He/she **MAY NOT** participate in activities.
- My child **DOES** have a food allergy or dietary restriction. He/she may participate in activities, but **MAY NOT** eat or handle the following items (please see list below):

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

- My child **DOES** have a food allergy or dietary restriction. He/she **MAY NOT** participate in activities.

I understand that it is my responsibility to update this form if my decision for permission changes. I agree that this form will remain in effect during the term of my child's enrollment.

CF/PI 175-12, May 2018

When life happens...Don't be a  
**DISTRACTED  
ADULT**

## FACTS ABOUT HEATSTROKE:

It only takes a car **10 minutes to heat up 20** degrees and become deadly.

Even with a **window cracked**, the temperature inside a vehicle can cause heatstroke.

The body temperature of a child increases **3 to 5 times faster** than an adult's body.

## PREVENTION TIPS:

- Never leave your child alone in a car and call 911 if you see any child locked in a car!
- Make a habit of checking the front and back seat of the car before you walk away.
- Be especially mindful during hectic or busy times, schedule or route changes, and periods of emotional stress or chaos.
- Create reminders by putting something in the back seat that you will need at work, school or home such as a briefcase, purse, cell phone or your left shoe.
- Keep a stuffed animal in the baby's car seat and place it on the front seat as a reminder when the baby is in the back seat.
- Set a calendar reminder on your electronic device to make sure you dropped your child off at child care.
- Make it a routine to always notify your child's child care provider in advance if your child is going to be late or absent; ask them to contact you if your child hasn't arrived as scheduled.

**During the 2018 legislative session,** a new law was passed that requires child care facilities, family day care homes and large family child care homes to provide parents, during the months of April and September each year, with information regarding the potential for distracted adults to fail to drop off a child at the facility/home and instead leave them in the adult's vehicle upon arrival at the adult's destination.

## What should I do if my child gets sick?

Consult your doctor and make sure your child gets plenty of rest and drinks a lot of fluids. Never give aspirin or medicine that has aspirin in it to children or teenagers who may have the flu.

### CALL OR TAKE YOUR CHILD TO A DOCTOR RIGHT AWAY IF YOUR CHILD:

- Has a high fever or fever that lasts a long time
- Has trouble breathing or breathes fast
- Has skin that looks blue
- Is not drinking enough
- Seems confused, will not wake up, does not want to be held, or has seizures (uncontrolled shaking)
- Gets better but then worse again
- Has other conditions (like heart or lung disease, diabetes) that get worse

## How can I protect my child from the flu?

A flu vaccine is the best way to protect against the flu. Because the flu virus changes year to year, annual vaccination against the flu is recommended. The CDC recommends that all children from the ages of 6 months up to their 19th birthday receive a flu vaccine every fall or winter (children receiving a vaccine for the first time require two doses). You also can protect your child by receiving a flu vaccine yourself.

## What can I do to prevent the spread of germs?

The main way that the flu spreads is in respiratory droplets from coughing and sneezing. This can happen when droplets from a cough or sneeze of an infected person are propelled through the air and infect someone nearby. Though much less frequent, the flu may also spread through indirect contact with contaminated hands and articles soiled with nose and throat secretions. To prevent the spread of germs:

- Wash hands often with soap and water.
- Cover mouth/nose during coughs and sneezes. If you don't have a tissue, cough or sneeze into your upper sleeve, not your hands.
- Limit contact with people who show signs of illness.
- Keep hands away from the face. Germs are often spread when a person touches something that is contaminated with germs and then touches his or her eyes, nose, or mouth.

## When should my child stay home from child care?

A person may be contagious and able to spread the virus from 1 day before showing symptoms to up to 5 days after getting sick. The time frame could be longer in children and in people who don't fight disease well (people with weakened immune systems). When sick, your child should stay at home to rest and to avoid giving the flu to other children and should not return to child care or other group setting until his or her temperature has been normal and has been sign and symptom free for a period of 24 hours.

**For additional helpful information about the dangers of the flu and how to protect your child, visit: <http://www.cdc.gov/flu/> or <http://www.immunizeflorida.org/>**

## What is the influenza (flu) virus?

Influenza (“the flu”) is caused by a virus which infects the nose, throat, and lungs. According to the US Center for Disease Control and Prevention (CDC), the flu is more dangerous than the common cold for children. Unlike the common cold, the flu can cause severe illness and life threatening complications in many people. Children under 5 who have the flu commonly need medical care. Severe flu complications are most common in children younger than 2 years old. Flu season can begin as early as October and last as late as May.

## How can I tell if my child has a cold, or the flu?

Most people with the flu feel tired and have fever, headache, dry cough, sore throat, runny or stuffy nose, and sore muscles. Some people, especially children, may also have stomach problems and diarrhea. Because the flu and colds have similar symptoms, it can be difficult to tell the difference between them based on symptoms alone. In general, the flu is worse than the common cold, and symptoms such as fever, body aches, extreme tiredness, and dry cough are more common and intense. People with colds are more likely to have a runny or stuffy nose. Colds generally do not result in serious health problems, such as pneumonia, bacterial infections, or hospitalizations.

For additional information, please visit [www.myflorida.com/childcare](http://www.myflorida.com/childcare) or contact your local licensing office below:

## Arrival, Departure and Attendance Policy

### Arrival and Departure

Your child must arrive at the center no earlier than 7:45am and must leave no later than 2:00pm. If your child rides a bus, you or an authorized adult must be at the drop-off at the time assigned to you by the transportation department. Parents who transport will have a pick-up time based on their work or class schedule. If your transportation needs change, please talk with the Center Coordinator at your child's center.

**After three (3) times of late arrival or failure to receive your child, it will be necessary for you to attend a conference with Head Start/Early Head Start staff to discuss other resources and childcare options.**

### Attendance

Establishing consistent daily routines gives your child security and helps to build a relationship between the classroom and home. Children who have irregular attendance or who are consistently late miss meals and learning activities provided by Head Start/Early Head Start. If you fail to call in when your child is absent, Head Start/Early Head Start staff will contact you regarding the absence. **In the event of excessive absences or tardiness, a conference will be scheduled to complete an Attendance Action Plan. If you fail to comply with the Attendance Plan your child can return to the waiting list and the vacancy will be filled with another family in need of placement.** If your family needs extended leave, you must submit a request in writing for approval or your child's slot will be considered vacant.

I will inform a center staff member immediately at \_\_\_\_\_ if the following emergencies occur:

- I or my authorized adult cannot be at the center by the scheduled arrival or departure time.
- I or my authorized adult cannot be at the designated drop-off address at the scheduled time, or
- If my child is going to be absent from class.

Arrival Time: 8:00 am

Departure Time: 2:00 pm

I have read the Arrival, Departure & Attendance Policy and it has been explained to me. I understand that my child's full participation in the HS/EHS program depends on the above policy. Failure to contact your child's center or if staff cannot locate you in 5 days, your child will be withdrawn from the center.

## Tri-County Head Start/Early Head Start

### Attendance Expectations

- I agree to bring my child to the center five days a week. I will bring my child in no later than 8:00 am and not pick him/her up later than 2:00 pm for my child to have a quality learning experience each day.
- I understand whenever my child is absent; I agree to notify the center by phone no later than 9:00 am.
- I understand if my child's attendance falls below 85%, my child's attendance will be reviewed, and a recommendation will be made based on a reassessment of the family needs.
- I understand when my child is absent five consecutive days and I have not notified the center, cannot be reached by staff, or the address is vacant, my child will be moved or withdrawn from the center-based program.
- I understand that it is my responsibility to bring my child to the center on time.
- I understand that it is my responsibility to pick up my child on time.
- I understand that these same attendance/tardy expectations also apply to those children who are transported by bus. You must escort your child to the bus and be present to pick him/her up at designated times.
- I understand that I am responsible for the safety of my child and communicating with the teacher.
- I understand I am expected to attend regularly scheduled parent meetings.
- I understand that I am expected to participate in home visits and other periodic contacts made by the staff.

## Family Partnership Agreement

Child's Name \_\_\_\_\_ Date of Birth \_\_\_\_\_

Tri County Head Start/Early Head Start is committed to working with you as a partner to help your family access services and resources, and to provide developmentally appropriate education services.

The Tri County Had Start/Early Head Start program agrees to:

1. Assign each family a Family Service Advocate who will:
  - Provide opportunities for you to participate in your child's education and in parent training and meetings.
  - Provide opportunities for you to interact with other Tri County Head Start/Early Head Start parents on a regular basis, including the opportunity for involvement in the program policy making and operations.
  - Work with your family in setting and reaching your goals as written in your Head Start/ Early Head Start Family Goals Plan.
  - Communicate and coordinate with other programs working with you and your family in accordance with Tri County Head Start/Early Head Start Confidentiality Policy (this will include any of the programs or people listed on the Tri County Head Start/Early Head Start consent form).
  - Ensure that your child has the opportunity for health, nutrition, mental health, developmental, and dental screening.
  - Follow up on your child's developmental, behavioral, health, nutritional, or dental concerns and work in partnership with you to assess and address any needs.
  - Assist with problem solving and accessing transportation resources.
2. Provide education services in Head Start/Early Head Start classrooms and educational home visits with on-going support available from Tri County Head Start staff.
3. Provide ongoing assessment of family's satisfaction with Tri County Head Start/Early Head Start services.
4. Provide all services until child transitions out of the Tri County Head Start/Early Head Start program.

(Continued)

# Tri-County Head Start/Early Head Start

## Family Partnership Agreement

As a family partner in Tri County Head Start/Early Head Start, I agree to:

1. Be available to meet with my Family Service Advocate (FSA) at home, workplace, childcare center, the classroom and/or agreed upon location.
2. Call to reschedule when I cannot keep my appointments with a Head Start/Early Head Start staff.
3. Try to participate in parent involvement opportunities such as parent meetings, workshops, policy council, volunteering in my child's classroom and community events.
4. Do my best to follow the family goals plan that we will develop together which identifies goals, priorities, and strategies.
5. Give permission for sharing and exchanging information between Head Start/Early Head Start and other agencies serving my child/family.
6. Ensure that my child regularly attends the program offered by Head Start/Early Head Start in accordance.
7. Communicate with my child's teacher and my Family Service Advocate about any concerns, changes in my work or living situation, or needs for support and information.
8. Ensure that my child receives regular well-child check-ups, immunizations, and follow-ups on identified concerns.
9. Participate in developmental, health, mental health, nutrition, and dental screenings for my child.
10. Participate in two parent/teacher conferences and two home visits per year with my child's teacher.

I have read and discussed the Agreement with my FSA and am willing to enter this partnership with Tri County Head Start/Early Head Start.

## Consent to Brush Teeth

The Tri-County Head Start/EHS Program, in cooperation with our Health Advisory Committee, has instituted the program of brushing teeth once a day at Head Start/EHS.

Each child will be provided a toothbrush by the center staff. The toothbrushes will be in a covered holder and changed every two months and/or after an illness.

The children will be called to the brushing sink two at a time. A staff member will apply a smear of fluoride toothpaste in a one-ounce cup and supervise or assist each child while brushing.

Infants under age 1 will have mouth swabbed out with gauze. Ages 1 up to age 3 will brush with non-fluoride toothpaste.

We ask parents to please brush with the children before bedtime to encourage a good oral hygiene routine.

- 
- I want my child to participate in tooth brushing.
  - I do not want my child to participate in tooth brushing.

## Getting to Know You

Since you know your child best, please share a little bit about him/her with us. This information will help us develop a plan that supports you as your child's first and best teacher and encourages your child to grow and learn!

Has your child been in an early learning program before? If yes, where, and why are you choosing Head Start? \_\_\_\_\_

\_\_\_\_\_

What does your child do well? \_\_\_\_\_

\_\_\_\_\_

What are some goals you would like to set for your child? \_\_\_\_\_

\_\_\_\_\_

How do you and your child spend time together? \_\_\_\_\_

\_\_\_\_\_

Does your child get easily frustrated by difficult tasks or with others? \_\_\_\_\_

\_\_\_\_\_

What kind of things upset your child, how do you comfort him or her? \_\_\_\_\_

\_\_\_\_\_

What keeps your child interested? \_\_\_\_\_

\_\_\_\_\_

Do you notice your child struggling with some activities? \_\_\_\_\_

\_\_\_\_\_

How does your child interact with others? \_\_\_\_\_

\_\_\_\_\_

# Tri-County Head Start/Early Head Start

## Getting to Know You

What words would you use to describe your child? \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

How do you motivate your child? \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Have you ever been concerned with your child's behavior? If so, please describe them. \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Has your child met developmental milestones as expected? Has their pediatrician ever discussed any concerns with you related to their development? \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

In the home, how are you preparing your child to learn? \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Is your child currently receiving any behavioral health services? If not, would you be interested in your child being assessed? \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Could you tell us about your family's culture? \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

What are your expectations for your child's early learning experience? \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

What are your child's favorite toys, games, or books? \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Is there any other way that our program can support your child and family? \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

## Mental Health Observation, Media Consent and Holiday Activity Form

### Mental Health

CONSENT FOR CLASSROOM OBSERVATION BY A SOCIAL-EMOTIONAL DEVELOPMENT PROFESSIONAL:

Performance Standard 1302.45 states: *The program will provide supports for effective classroom management and positive learning environments; secure mental health consultation services on a schedule of sufficient and consistent frequency to ensure consultant is available to partner with staff and families in a timely and effective manner.*

We need your permission for the Social-Emotional professionals to do a classroom observation. No child will be singled out unless we are already aware of a behavior problem and have parent/guardian permission on file.

**Yes**  **No** My child may be present during classroom observations that will be done in my child's classroom licensed therapists who follow strict rules of confidentiality.

### Photograph/Video/Social Media

Tri-County Head Start/Early Head Start occasionally invites newspapers to photograph enrolled children during various events/activities. Your permission is needed for photographs to be taken and shared with the local newspaper and internet, and agency publications. Every precaution will be taken to ensure the privacy of any child unable to be photographed.

**Yes**  **No** Pictures that are taken of my child may be used in newspapers, displays, bulletin boards, brochures, directories, and other type of educational publications.

**Yes**  **No** Pictures that are taken of my child may be used within the school building including the classroom group photo and videos that may be made of the children.

### Holiday Activities

**Yes**  **No** My child may participate in holiday activities such as Easter egg hunts, Christmas activities, etc. If no, please specify which holiday you do not want your child to participate in. \_\_\_\_\_

# Tri-County Head Start/Early Head Start

## Screening Consent Form

Tri-County Head Start/Early Head Start will use the following assessments to screen each child. These assessments help us learn more about your child's progress in all areas of development: Motor, Adaptive, Cognitive, Social-Emotional and Communication.

**The Ages & Stages Questionnaire is completed by the parent. It focuses on your child's social-emotional behaviors. Your timely completion of this screener is helpful in further assessments.**

\_\_\_\_\_ I understand and will complete the ASQ within 5 days of enrollment.

\_\_\_\_\_ I need assistance with completing the questionnaire.

**The Battelle Developmental Inventory screening tool will be used within 45 days of enrollment to screen infants, toddlers, and preschoolers.**

\_\_\_\_\_ Yes, you have permission to administer the BDI screening assessment.

\_\_\_\_\_ No, you do not have permission to administer the BDI screening assessment.

**The Devereux Early Childhood Assessment (I/T, P2 and C) will be used to assess behaviors related to social-emotional development. These results guide individualized learning strategies in the classroom.**

\_\_\_\_\_ Yes, you have my permission to administer the age appropriate DECA.

\_\_\_\_\_ No, you do not have permission to administer the age appropriate DECA.

### Release of Information

The purpose of these screenings is to determine the skills in which your child may need additional help or early interventions. We will need permission from you to send screening information, evaluations, or recommendations to the proper agency.

\_\_\_\_\_ Yes, I grant permission to release assessment results.

\_\_\_\_\_ No, I do not grant permission to release assessment results.

Teaching Strategies GOLD Assessment Permission

Performances Standard

1302.33(5)(b)(1)(2)(3)

Staff must use a variety of strategies to promote and support children's learning and developmental process based on parent input, observations, and ongoing assessment of each child.

Teaching Strategies GOLD is an ongoing observational system for assessing children from birth through kindergarten. It helps teachers to observe children in the context of everyday experiences, which is an effective way to learn what they know and can do. Teaching Strategies GOLD is based on 38 objectives for development and learning that include predictors of school success and are based on school readiness standards. The objectives are aligned with the State Standards, Florida Early Learning and Developmental Standards, and the Head Start Early Learning Outcomes Framework.

If you have any questions concerning the Teaching Strategies GOLD ongoing assessment, please contact Dorothy McClendon, Education Coordinator, at 850-548-9900.

\_\_\_\_\_ Yes, you have my permission to administer the Teaching Strategies GOLD Assessment with my child.

\_\_\_\_\_ No, you do not have my permission to administer the Teaching Strategies GOLD Assessment with my child.
